TEACHERS

STUDENTS

As far as concerning the education of students, monitoring and evaluation of educational environments, making research, planning and developing projects,

we also offer trainings, seminars, refreshment courses and some other activities to our teachers to motivate, foster and encourage them for their professional development according to their needs and demands.

DIMEM comprises a dedicated team of 58 professionals, structured to ensure the effective management and coordination of district-wide educational initiatives:

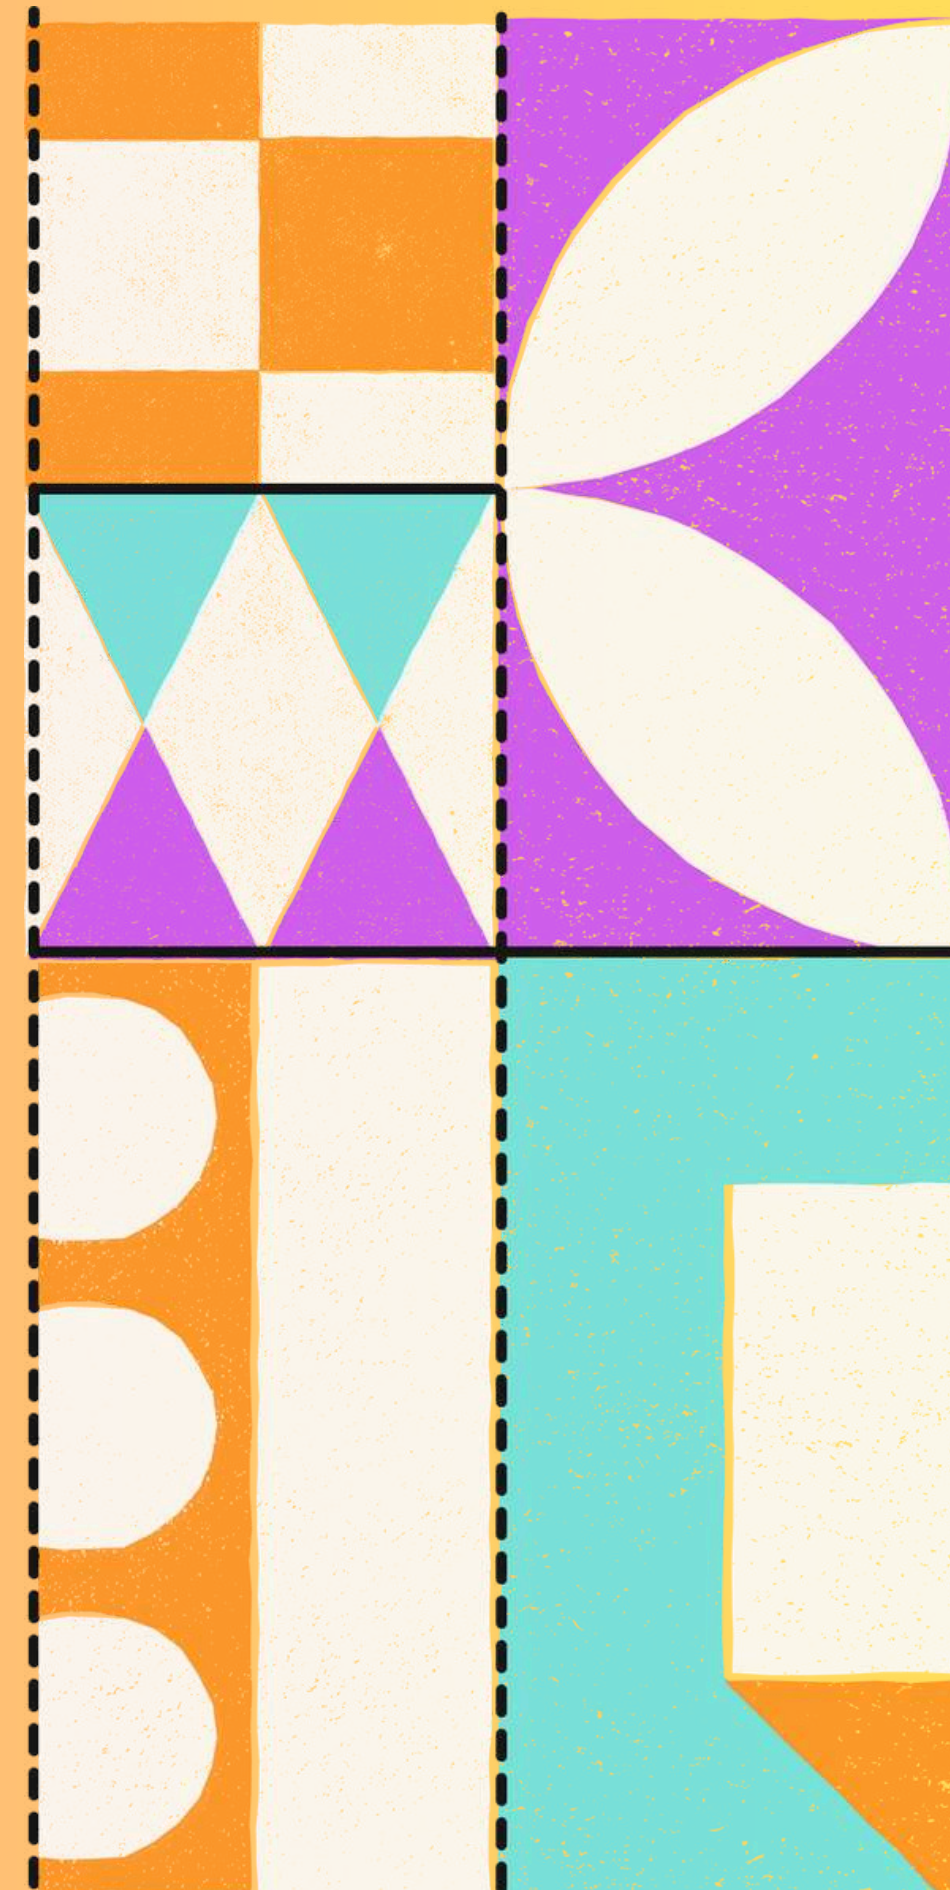

Director: Provides strategic leadership and oversees the overall management of district education.

4 Department Managers: Drive departmental oversight, ensuring alignment with organizational goals.

6 Chiefs: Lead specialized areas, facilitating the execution of key functions.

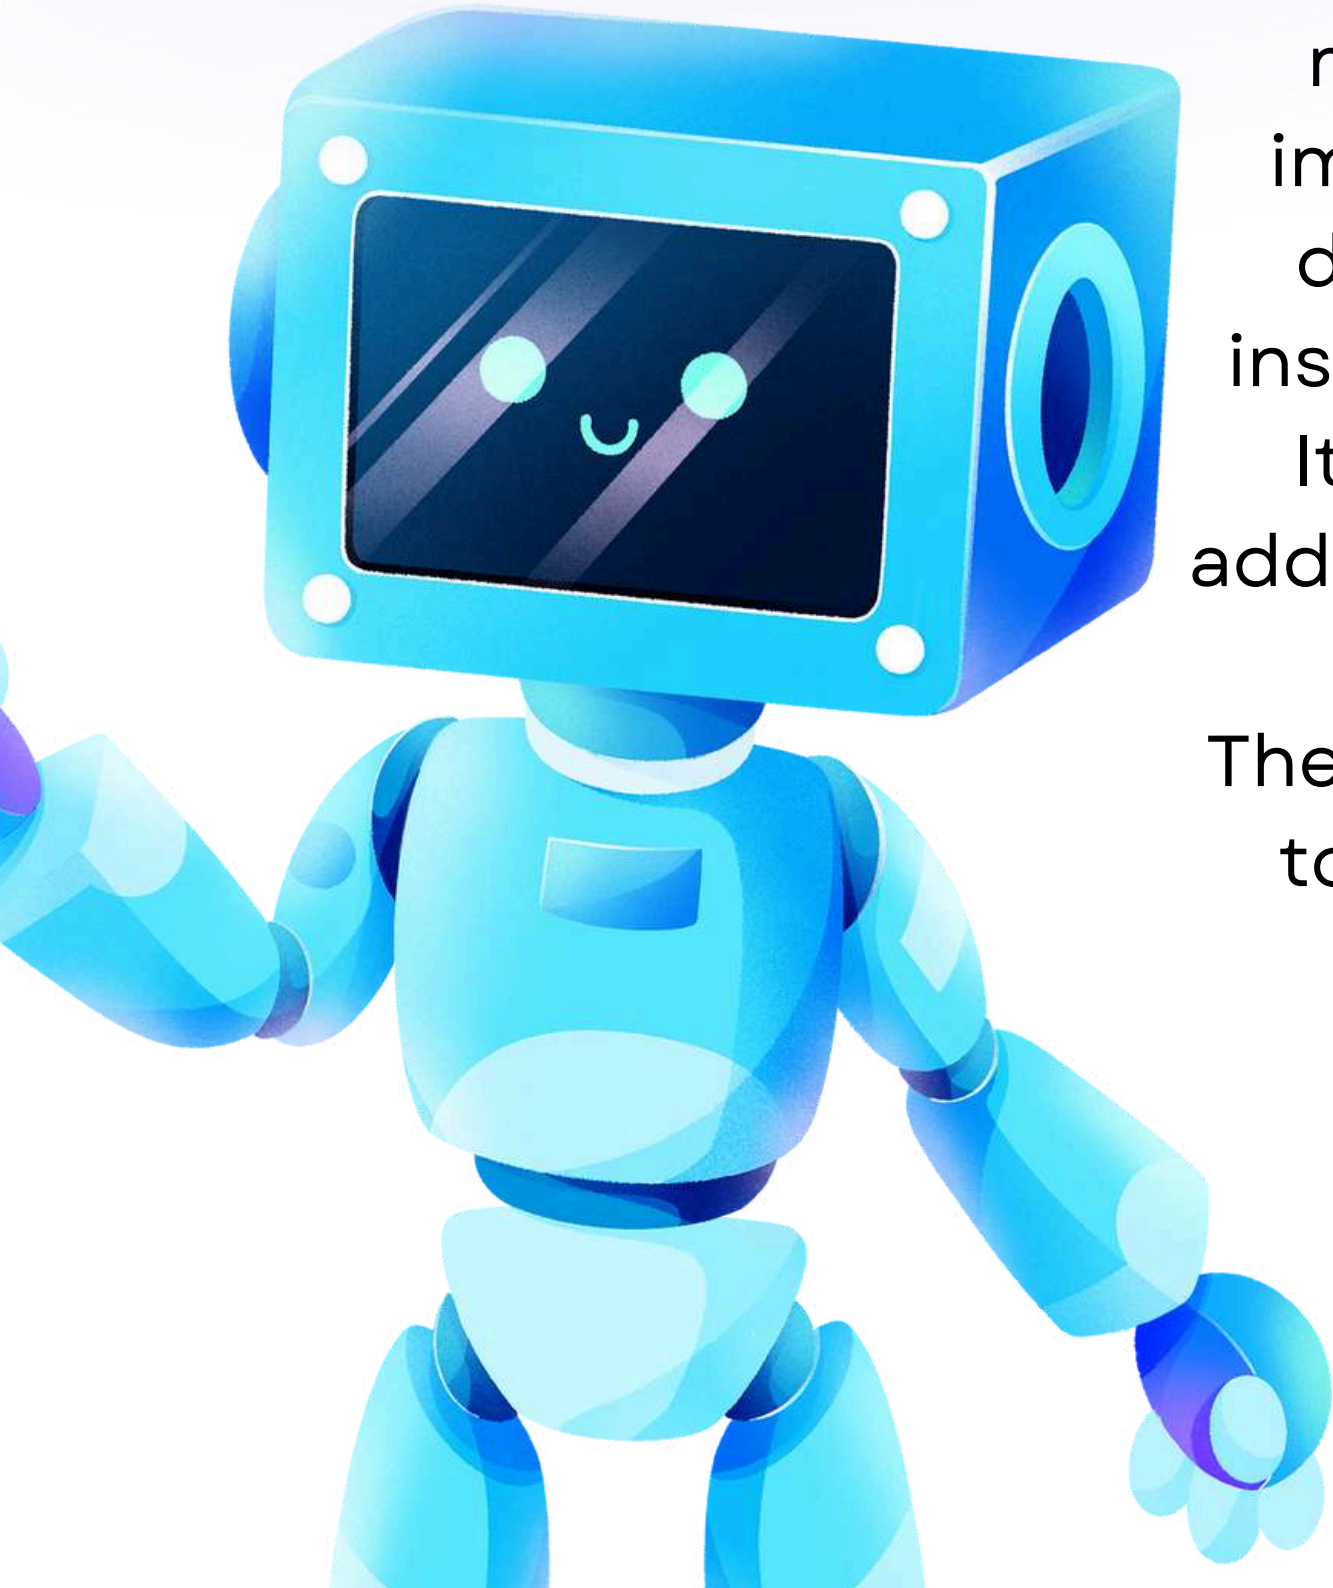

Support Staff: Includes officials responsible for the planning and coordination of all educational and training activities.

This structure enables us to deliver comprehensive educational services and maintain high standards across the district.

PROJECTS

**DARICA DISTRICT
DIRECTORATE OF NATIONAL
EDUCATION**

The EU and Project Coordination Unit at DIMEM was established to manage European Union-related activities, secure funding, and implement projects to address local needs. The unit oversees the development, coordination, and evaluation of projects involving institutions, local government, NGOs, and community stakeholders. Its objectives include enhancing the quality of life in the district, addressing local challenges, and guiding stakeholders through the EU programs and funding opportunities. The unit also collaborates with Development Agencies and Ministries to support projects aligned with national development goals and social welfare initiatives.

“Approximately 37 projects have been completed across schools within our organization, with an additional 9 projects currently in progress. As a directorate, we also conduct seminars to provide information on Erasmus+ projects, supporting schools through the application process and after project approval.”

AS A PROJECT TEAM;

WE AIM,

**TO EXPAND OUR CAPACITY AND ENHANCE THE LEVEL OF
INTERNATIONALIZATION WITHIN OUR DIRECTORATE THROUGH
NATIONAL AND INTERNATIONAL PROJECTS.**
